MEMORANDUM FOR: Director, National Reconnaissance
Office

SUBJECT: [REDACTED]

50X1

Your memorandum of 30 April 1965 regarding supplemental missions for the [REDACTED] has been referred to this Directorate. We presume that this also is in response to my letter to you of 20 April 1965 requesting such data. Your mission descriptions are being sent to the [REDACTED] contractors for incorporation into the Phase I feasibility program. You should know that your highest priority auxiliary mission--communications--is already under intensive study. I believe we mentioned this at the contractor briefing you attended here, and it is certainly a natural addition to the [REDACTED]. The others will require more careful examination; and we shall begin this now.
